PFT Scholarships

The Petaluma Federation of teachers will sponsor multiple scholarships that will provide a one-time payment of \$500.00 to children of “PFT members in good standing” who are graduating from high school to attend a community college, a four-year college, or other institution with a course of learning resulting in a diploma or certificate of completion.

The scholarships are for those graduating in the 2016-2017 school year.

The Petaluma Educational Foundation (PEF) will administer the scholarships. The graduating student must submit the application no later than February 27, 2017.

An endorsement of the application will be made by the parent of the student who is a member in good standing of the PFT. The PFT President will verify membership status for the PEF.

This is intended to be an annual scholarship, however the number of scholarships will vary from year to year as the scholarship budget will be reviewed each fiscal year in the total context of the PFT budget.

Applications are with your site representative and on the PFT website. PEF will notify students of the scholarship award and include details on how students are to verify attendance and receive the award itself.

All completed applications need to be received by PFT President, Sandra Larsen (at the above address), again, no later than February 27, 2017.
